

Economical Calculators

Low-cost calculators to meet every need

A Foldable Handheld Calculator

Portable, hard cover calculator offers basic functions. Larger size keyboard and display is easy to read and operate.

B Scientific Calculator

Program up to 40 steps with direct formula entry and memory for future recall. Features 46 preprogrammed scientific and statistical functions including hyperbolic, logarithmic, trigonometric, reciprocal, exponential, factorial, and roots. Auto shutoff prolongs battery life. Operating system is algebraic.

C Solar-Powered Scientific Calculator

Calculator works well even in light as low as 50 lux. Calculator features 67 preprogrammed scientific and statistical functions including binary, octal decimal, sexagesimal and hexadecimal conversions, and standard deviation. Unit also has five preprogrammed logic functions. Operating system is algebraic.

D Two-Line Display Scientific Calculator

Calculator includes 229 built-in functions specializing in mathematics, trigonometry, and statistics. Scientific rotation, DRG conversions, standard deviation, permutations, and combos are several functions that are included. Shows formulas and results simultaneously. Auto shutoff prolongs battery life.

17300-06

F
17300-12

G
17300-14

E Conversion Calculator

Convert English/metric and metric/English using quick, convenient keys. Converts values of weight, length, volume, area square, cubic area, and temperature. Conversion instructions are printed on the cover for quick reference. Auto shutoff prolongs battery life.

F Cole-Parmer Credit-Card-Sized Calculator/Converter

Credit-card-sized calculator can convert any unit to another, or use it as a stopwatch, clock, or alarm. Weighs only one ounce.

G Cole-Parmer Big-Digit Solar-Powered Calculator

Over-sized keys and jumbo digits makes for easy use and minimizes errors. Performs all arithmetic operations and features memory, percent, and floating decimal point.

5 year warranty

Key letter	Catalog number	Description	No. of functions	Memory	Display	Power	Case	Dimensions (W x H x D)	Price
A	R-17300-08	Foldable portable calculator	—	Three key (M+, RM, XM)	8-digit LCD or 8-digit with 2-digit exponent, 3/4"H	Two 1.5 V button cell batteries (incl.)	Foldable case	4 1/8" x 2 2/3" x 3/4"	
B	R-17300-04	Scientific calculator	46	Three key (M+, RM, XM)	10-digit LCD or 8-digit with 2-digit exponent, 3/4"H	Two 1.5 V button cell batteries (incl.)	Soft carrying pouch	2 3/4" x 5 1/4" x 7/16"	
C	R-17300-02	Solar-powered scientific calculator	67	Three key (M+, RM, XM)	12-digit LCD or 10-digit with 2-digit exponent, 1/2"H	Solar	Slide case	3" x 5" x 3/4"	
D	R-17300-10	Two-line display scientific calculator	229	Three key (M+, RM, XM)	10-digit LCD or 10-digit with 2-digit exponent, 1/2"H	Solar/two 1.5 V button cell batteries (incl.)	—	2 3/4" x 5 1/4" x 7/16"

F	R-17300-12	Credit-card-sized calculator/converter	—	—	8-digit LCD	One 1.5 V button cell battery (incl.)	Clear case	4 1/4" x 2 3/8" x 1/4"	
G	R-17300-14	Big-digit solar-powered calculator	—	—	8-digit LCD	Solar	Foldable case	3 3/8" x 2 1/4" x 1/4"	

R-09377-16 Replacement batteries, 1.5 V button cell. Pack of 6..... /pk

Cole-Parmer Calculator Clipboard

• The convenience of a scientific calculator, tape measure, and clipboard—all in one!

This Cole-Parmer clipboard gives you a great value for your money and lets you work more efficiently. In addition to securely holding your paperwork, you get an integrated scientific calculator, handy five-foot tape measure, and built-in pen holder. The eight-digit, solar-powered calculator performs most of the lab's routine calculations including addition, subtraction, multiplication, division, chain calculation, constants, powers, reciprocal values, percent calculations, square root, and memory. Clipboard measures 9"W x 14"H (23 cm W x 36 cm H).
